DUTCH LEONARD OUT THIS YEAR TO BEAT HIS GREAT WINNING RECORD OF 1914

Dutch Leonard, who led the American league pitchers last year, is out to win more games this year than he did in 1914. The Red Sox twirler is reported to be showing up strong at Carrigan's training camp and will be used in a large number of games if he can keep up his pace of last year and remains off the sick list. He pitched in thirty-five games last year and allowed only 1.01 runs for each full game of nine innings. This is remarkable pitching.

OWNERS OF TIMBER ARE APPREHENSIVE OF COMING SEASON

No Snow In Mountains Gives
Rise To Fears of Loss By
Forest Fires

That all conditions at the present time point to unusual danger of forest fires during the coming summer seemed to be the consensus of opinion among the timber owners in attendance at the annual meeting of the Columbia and Linn county forest fire patrol associations, held in Portland, on Wednesday of this week, according to State Forester Elliott, who attended the meeting, and they look forward with apprehension regarding the safety of their holdings. The Columbia county association levied a tax of 3 cents per acre upon the membership to provide the usual funds for fire patrol and incidental expenses and the Linn county association will probably do likewise.

Last year, which was the worst in over 10 years in this state for fire hazard, on account of the prolonged drought, cost the Columbia county timber holders about 12 cents per acre for fire-fighting and protection work. This year there is no snow whatever in the mountains and the timber owners feel the necessity of extraordinary safeguards in anticipation of a recurrence of last year's dangers and provision will be made accordingly by all associations, in co-operation with the forestry department, in western Oregon to reduce the fire loss to the minimum.

FORESTERS CELEBRATE.

The Catholic Foresters gave their basket social and dance—as advertised in the Standard last week—at the Daisy hall, on Monday evening. There was a large crowd present and many handsome, well filled baskets were sold. The auctioneer was W. F. Klecker who caused much amusement by his witty sallies, and who secured good prices for his wares. Three members of the Christy Minstrel Co. were present and played the crowd very much with songs. The music for dancing was furnished by Dan Doll and Wm. Kerber, and the dancers acted as if they enjoyed it, keeping the music going until a late hour.—Stanton Standard.

RED MURRAY SLATED TO GO TO MAKE WAY FOR YOUNGER BLOOD IN M'GRAW'S OUTFIT

RED MURRAY

Red Murray's days with the New York Giants may be numbered. It is said McGraw is considering letting this once great fielder go to St. Louis before the season opens. Murray has slumped off in his fielding and hitting and must make way for younger blood. He probably will not be in the Giants' lineup this year.
